

*MH aims to be  
the world leader in the  
supply of quality engineered  
products and services in the most  
innovative way. It does so by continually  
improving its relationship with its customers,  
employees and suppliers. MH promotes  
a healthy environment and delivers its  
products and services at market prices,  
with honesty and a smile.*

*Our vision:  
“To take care of our  
customers customer”*
